2. That the songs of this movie Ruslaan were sung by famous singers like Sunidhi Chauhan, Javed Ali, Master Salim, Sadhna Sargam and Hariharan and music was given by Raees. Famous Bollywood choreographer Shabina Khan choreographed the songs of this film.
  
3. That the music release of the Movie Ruslaan was done in New Delhi and many big actors, cricketers and political veterans like Kapildev, Mohammad Azharuddin, Madanlal, actress Moushumi Chatterjee, Gurmeet Choudhary, Debina Bonnerjee, Shaleen Bhanot, MS Bitta had attended the release. The music release of the film Ruslaan was done in the great presence of the then Chief Minister Sheela Dixit.
  
4. That the said Movie Ruslaan did well on box office and my Client Shri Rajveer Sharma was much appreciated by the critics for his tremendous acting.

5. That my client Shri Rajveer Sharma is still working in the industry and in next month he is coming with his next project Apni Mohabbat.
6. That my clients are also planning to launch the said Movie Ruslaan on OTT Platform and talks related to the same are in progress with OTT Platforms.

8. That in the teaser one dialog can also be heard “Mai Ruslaan ko bachpan se janti hun.” Which is also exactly the same dialog in my clients original movie Ruslaan. From the dialog and teaser it seems that the Name of Lead Character is Ruslaan which is again reflects the similarity of my clients original movie Ruslaan.
9. That from the teaser of the said upcoming movie Ruslaan it is quite clear that not only the name of my clients movie is being used illegally by you the Noticees but the dialogs and stories are also copied from my client’s original movie Ruslaan which is clear violation of the right of the owner and copyright infringement. Also if the said movie will be released with the

same name Ruslaan for which my clients have all the legal rights, my clients will be in huge loss as they are in planning to launch their original Movie Ruslaan on OTT platform but if the Movie with this name will be released by you the Noticees my clients will face a big loss as you all are the big people of the industry and the lead actor is the Brother in law of Salman Khan in the said upcoming movie who has great impact in Bollywood industry.
